Add two guarantors

People who'll vouch for you — they won't be billed unless you default.

🔗 **What is a guarantor?** A trusted person (friend, family, colleague) who agrees to cover your loan if you can't. They'll get a secure link to review terms and accept or decline. You need **two confirmed** guarantors to proceed.

Choose lenders to send your application to

Select as many as you like — they'll each respond with an offer within their stated time.

📘

How this works:

Each selected lender gets your application (name, amount, type, documents, guarantors). They'll review and send you an offer. You compare offers and accept just one.
